

A pixelated, black and white digital illustration of the mathematical equation 2 + 4 = 6. The numbers and symbols are composed of thick, blocky black lines with a pixelated, dithered appearance. The equation is arranged horizontally, with the number 2 on the left, followed by a plus sign, the number 4, an equals sign, and the number 6 on the right. The overall style is reminiscent of early computer graphics or digital art from the 1980s.
